

“THE SUNSHINE WAY”

“Helping Patients clarify, simplify, and achieve their goal of wellness”

We help patients manage their health

- Crystal clear vision of where they want to be
- Work collaboratively on a plan
- Follow-up reviews
- Becoming more healthy individuals

Simple, practical approach

- A unique combination of reviewing, asking, implementing and coaching
- Right Medication, Right Dose, Right Time- that’s the MyEasyDose way
- Thousands of successful patients adhere to our system

The Sunshine Way

- Achieve healthcare goals with a customized plan
- Pharmacist consultation to track progress towards goals
- Review possible medication reduction as part of goals
- Leading patients to the brighter side of health
